Punny Jokes

A **pun** is a form of wordplay that uses multiple meanings of a word or phrase for a humorous effect. Some puns use similar sounding words to give a statement double meaning.

Example: Why did the banana go to the doctor? It wasn't peeling well.
In this example, the word peeling sounds similar to the word feeling.

Use these funny puns to make someone laugh!

Why did the banana go to the doctor?

It wasn't peeling well.
