

Rational Numbers on the Coordinate Plane

AquaWorld Water Park is opening next month. The staff is creating a map to share with visitors. Look at the map on the coordinate plane below.

	Main Entrance
	Shark Fin Slide
	Sea Otter Slide
	Treasure Hunt Tube Slide
	Lily Pad Lazy River
	Starfish Splash Pad
	Wicked Wave Pool

What is located at (1, 1)?

What is located at (-2, 2.5)?

What is located at $(3\frac{1}{2}, -3)$?

What is located at (-2.5, 0)?

The snack stand will be located at (-3, -2).
Plot this point and label it A.

The gift shop will be located at $(4, \frac{1}{2})$.
Plot this point and label it B.

The locker room will be located at (2.5, -1.5).
Plot this point and label it C.

The towel station will be located at $(-4, 1\frac{1}{2})$.
Plot this point and label it D.
