Look at the schedule for the San Francisco Bay Subway and answer the questions on the next page.

1. A round trip on the Red Line takes 4 hours and 40 minutes. How much less time does the trip on the Red Line Express take?
2. Sam is waiting at San Jose. He is going to San Francisco and wants to spend the least amount of time possible on the train. Should he take the express train or the regular train?

## REDLINE?

3. Marty lives in San Rafael and wants to visit his friend in Vallejo this weekend. He wants to take the shortest train ride possible. Would taking the express train help make his trip to Vallejo shorter?
4. Leticia and her friends live in San Francisco and want to go surfing in Santa Cruz this weekend. What trains do they need to take to get there?
5. Hayden lives in Berkeley and is going to stay with his aunt and uncle in Davis for the weekend. They're picking him up from the train station at 11:45 and not a minute later! If he takes the Sacramento line, will he make it to Davis in time?
