

Foodie Fractions #7

Baked Stuffed Eggplant

- 1 eggplant
- $\frac{3}{4}$ cup ricotta cheese
- $\frac{1}{4}$ cup Mozzarella cheese
- 1 tbsp. fresh herbs
- $\frac{1}{2}$ cup spinach
- $\frac{2}{3}$ cup vegetables, diced
- Salt and pepper

One of Sarah's favorite food is eggplant. So her mother is making baked, stuffed eggplant for her birthday dinner. Her mom needs to double the recipe. Can you calculate two times the recipe? Sarah's friend, Trisha, wants to try it but is afraid she doesn't like eggplant. Sarah has asked her mom to make a third of the recipe for Trisha to try it. Can you help her?

Multiply each ingredient's amount by 2 and $\frac{1}{3}$.
