Regrouping: Tens and Ones

Write out the place values, then regroup.   Then write the correct number on the right. See the example below.

2 tens + 15 ones   =   2 tens + 1 tens + 5 ones   =   3 tens + 5 ones   =   35

4 tens + 12 ones   =   _____   =   _____   =   ⬜

5 tens + 26 ones   =   _____   =   _____   =   ⬜

3 tens + 33 ones   =   _____   =   _____   =   ⬜

6 tens + 18 ones   =   _____   =   _____   =   ⬜

1 tens + 47 ones   =   _____   =   _____   =   ⬜

7 tens + 21 ones   =   _____   =   _____   =   ⬜

8 tens + 19 ones   =   _____   =   _____   =   ⬜
