REVIEW & REVISE

Bobby wrote a story about his trip to the beach. He knows he can make it even better, but he doesn't know how. Help Bobby improve his story by adding more details about his trip.

I went to the beach with my family.

It was really fun. Each day we swam until the afternoon. Then we went home and had dinner. The next day we did it all again.

Now add details to make Bobby's story even better. Write the new and improved story on the other side of the page.
