Owen walked slowly towards school, dragging his feet and sighing heavily. Usually he felt excited about school, but today he was dreading it. His teacher was giving a big math test today and he was worried about it fractions confused him! Last night he had practiced Solving problems on the computer, but he kept mixing up the numerator and denominator. As he walked, Owen decided that he would ask his friend, jamayla, to help him. She was the biggest math whiz in the class and she always got good grades on her math tests. Thinking about Jamayla made him feel better. He knew she would have some tips that would help him before the test. Smiling, he started to walk a little faster. Mabe today wouldnt be so bad after all!
