

# Cross the River

Use coins as playing pieces. Have a grown-up cut out and put together one of the die from the second page. Toss the die. Move your coin over the rocks and across the river following the arrows. First one to cross the river wins!

*This page can also be used as a coloring page!*

# Dice for the Board Games!

Ask a grown-up to cut and tape the dice together. Use one die per game. They range from easy, medium and hard.
