Role Models of History

Directions: In groups of 2–3 students, use a computer to research who the positive role models were in the following decades: 1960s, 70s, 80s, 90s, 2000s, and 2010–present. Answer the questions below for each chosen role model, and then present your findings to the class!

Group's definition of *positive role model*:

Decade: _____

One person of your decade who is seen as a positive role model:

What did they do that helped society?

How did they express forgiveness? Love? Compassion for all?

What challenges did they face and overcome?

In your own words, how does this person's story impact your life and your choices?
