## Saying “\_ay” Words

|      |
|------|
| Name |
| Date |

### To parents

Once your child reaches “play,” help him or her find “hay” in order to begin the sequence again. Make sure your child draws only vertical or horizontal lines to connect the words.

- Draw a line from the arrow (→) to the star (★), connecting  to  to  to  while you say the words.
