

Name: _____

Date: _____

One shape can be divided into 4 **equal** parts OR 4 **quarters** that are the same.

$$1 = \frac{1}{4} + \frac{1}{4} + \frac{1}{4} + \frac{1}{4}$$

$\frac{1}{4}$	$\frac{1}{4}$
$\frac{1}{4}$	$\frac{1}{4}$

Circle the shapes that show **quarters**. Color $\frac{1}{4}$ of each shape you circled.
