

SHRINK RAY CONTRACTIONS

SHRINKING MISSION 4

The shrink ray takes word pairs and shrinks them into single words.

Example: They will becomes they'll

Your Mission: Underline the words that make up each contraction, and rewrite each sentence with the proper contractions.

1. David should have done his homework instead of playing video games.

2. This is the hottest it has been since the summer of 1901.

3. It is a shame that William will not be able to play tennis this week because he has a broken wrist.

4. Where is the screw driver that we are going to use to fix your bicycle?

5. I will sweep the porch every day if you promise you will give me ten dollars each week.

6. Here is a list of items that you should have brought on the trip.

7. I did not know that she is in my class this year.

8. The books were not in the correct place on the shelf, so I am going to fix them.
