

# Silent Letters

Each sentence in the story has a silent letter in it. Circle each silent letter.

A Ghost!

I doubt you  
saw a ghost.

I saw one!  
I just know it.

Wait...  
Did you hear  
a knock?

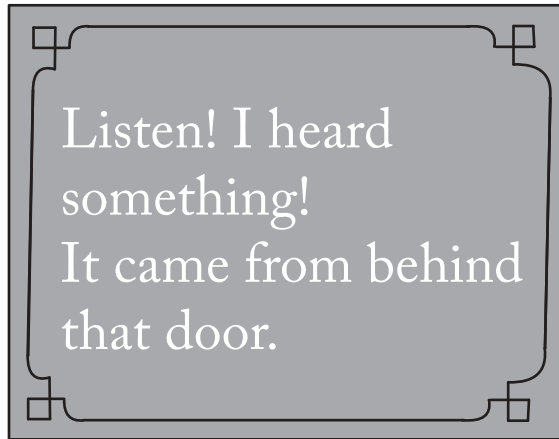

I guess.

Let's climb the  
stairs and  
find out.

Something feels  
very wrong...

Wait...  
Did you hear  
a knock?

What do you think happens next?

Write the next sentence in the box below. Make sure it has at least one silent letter in it. Then, draw a picture of the end of your story.
