

Space Explorers: Christina Koch, Jessica Meir, and...YOU?

The first all-female spacewalk happened on October 18, 2019 when Christina Koch and Jessica Meir traveled to the International Space Station.

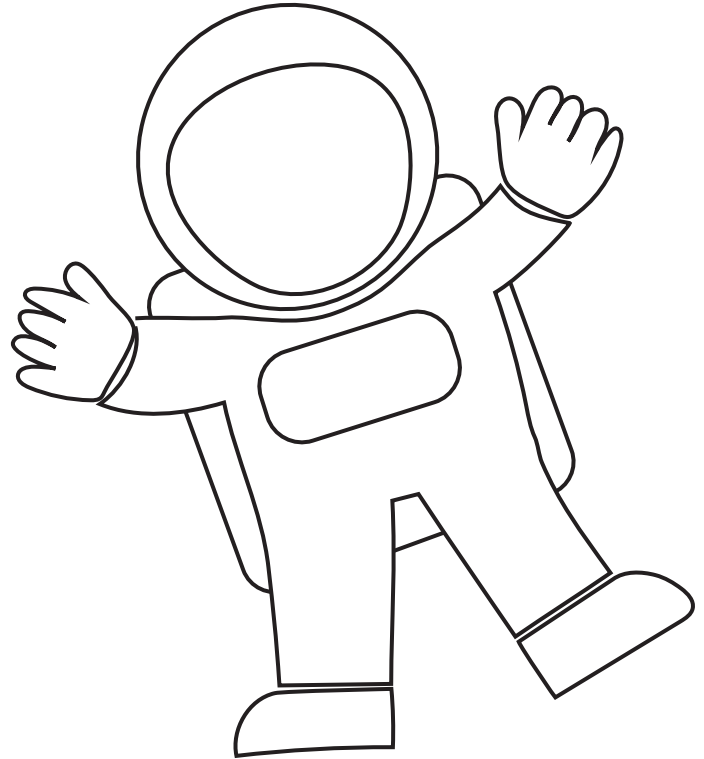

Jessica Meir

Christina Koch

Astronauts wear space suits when they travel to space. Draw a picture of YOU wearing a spacesuit.

Imagine what it would be like in space! Draw what it would look like:

What would you see in space?

In space, I see _____.
