

# SPACED-OUT SCRAMBLE

Can you unscramble these planet names? Then use the clues to put them in order starting with the closest planet to the Sun.

- EENTUPN I'm big and blue and farthest from the Sun.
- THERA Start from the Sun, count out three, and you're home!
- UNRATS I'm big, I've got rings, and I'm planet number six.
- SAMR I'm rusty-red and right next door to your own planet.
- URRMYEC Is it hot here, or is it just me? I'm closest to the Sun.
- PRITUJE I'm the biggest planet and fifth from the Sun.
- SAUURN I'm big and blue-green, and very cold since I am number seven.
- UVNSE Whoop-dee-doo, I'm cloudy planet two.
