

Place Value Blocks

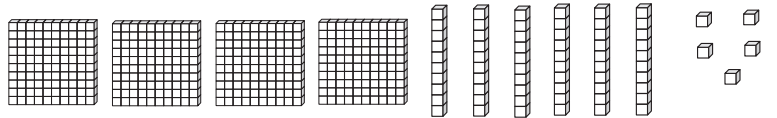

Place value blocks make solving subtraction problems easier. For each of the problems below, cross out place value blocks to help you subtract.

293 - 111 = 182

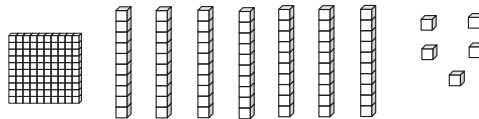

465 - 324 =

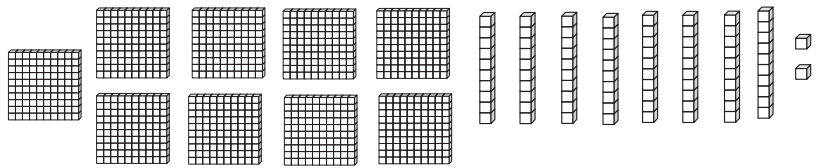

691 - 240 =

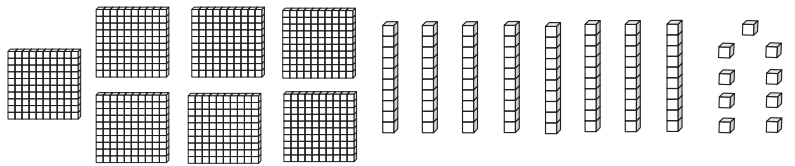

175 - 163 =

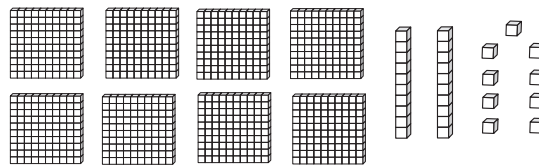

982 - 761 =

789 - 562 =

829 - 517 =

567 - 343 =
