

# Color and Count the Shapes

1. Color all the circles red.
2. Color all the squares blue.
3. Color all the stars green.
4. Color all the triangles purple.
5. Color all the rectangles orange.

# Color and Count the Shapes

Count and chart how many shapes there are using tallies.

Shape	Tally	Number
 Star		
 Circle		
 Triangle		
 Square		
 Rectangle		

1. How many more circles than stars?

---

---

---

2. How many more triangles than rectangles?

---

---

---

3. How many fewer squares than triangles?

---

---

---

4. How many shapes altogether?

---

---

---
