

# Syllables

## VCV and VCCV Syllable Pattern Review

Count syllables then draw a slash between the syllables.

VCV pattern (vowel, consonant, vowel).

Divide the syllables before consonants.

  2   trophy

       teacher

       because

       student

       either

       chosen

       believe

       acre

       enough

       rider

VCCV pattern (vowel, consonant, consonant vowel).

The consonants always stick to the vowels.

  2   quarrel

       essay

       raccoon

       announce

       cellar

       athlete

       gossip

       husband

       appeal

       costume

       mattress

       welcome

       terrace

       consume
