# Take a Nature Walk

- Go on a walk in nature and use your senses to observe the environment.
- Write and draw your observations below.
- Then, write an account of your experience in nature.

## Plants

What plants do you see? Describe their size, shape, and color. Draw a picture of your observations. \_\_\_\_\_

---

---

---

---

## Animals

What animals do you see? Describe them and what they are doing at the time you observe them. Don't forget to carefully lift up a rock or log to observe any critters living underneath! Draw a picture of your observations.

---

---

---

---

---

## Weather

How is the weather? Is it a warm or cool day? Is the sun shining or is it cloudy? Is there a breeze? How does the weather make you feel? Draw a picture that represents today's weather.

---

---

---

---

---

## Sounds

What sounds do you hear? Where are they coming from? How would you describe the sounds? How would you draw the sounds you hear?

# Recounting My Experience in Nature

From the observations you described on the first page, recount your experience in nature. Use the following sentence stems to guide your writing. Remember to use correct paragraph formatting, including indentation and at least 3 sentences in each paragraph.

- During my time in nature, I saw...
- I observed...
- Something that stuck out to me was...
- One thing that caught my attention was...
- On my nature walk today, I noticed...
