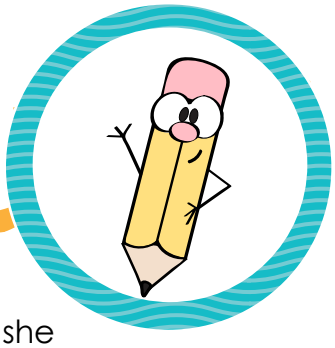
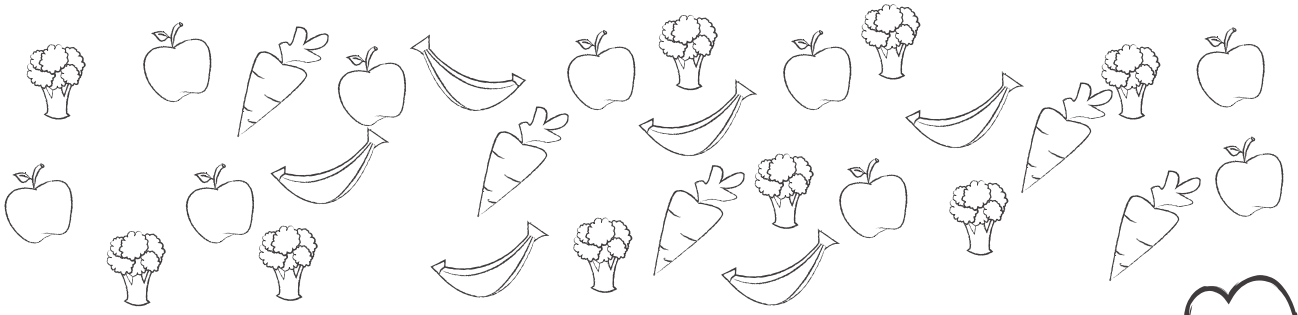
Name: _____

Tally It Up!



Help Ali record how many fruits and vegetables she bought at the grocery store. First, count how many of each type of fruit or vegetable she bought and mark it in the table. Then, write it in number form. Finally, answer the questions.



Type of food	Tally Marks	Number
Broccoli		
Carrot		
Apple		
Banana		

1. What fruit or vegetable does Ali have the most of?

2. What fruit or vegetable does Ali have the least of?

3. How many fruits and vegetables does Ali have in all?
