## Telling Time with Ricky Racer: Five-Minute Intervals

A clock shows that there are **60 minutes** in **1 hour**.

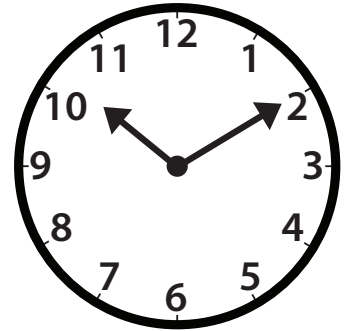

Look at the **hour hand** and the **minute hand** to tell time.

Ricky's race starts soon. What time is it now?

It is 10 minutes after 10 o'clock.

It is 10:10.

**Directions:** Count by 5's. Write the numbers around the clock.
