

One day, a bear walked by.

“Little house, little house! Who lives in this little house?” he called.

“I am a mouse,” said the mouse.

“I am a frog,” said the frog.

“I am a rabbit,” said the rabbit.

“I am a fox,” said the fox.

“I am a wolf,” said the wolf. “And who are you?”

“I am a bear!” roared the bear as he climbed onto the roof and crushed the house!

All of the scared animals ran away and found new homes.
