THANKSGIVING
BANNER!

1 After the pieces have been colored, have a grown-up cut and fold the triangles. You will need a 6 foot piece of string, ribbon or yarn and some tape.
2 Tape each triangle to your piece of yarn securely. Make sure the piece doesn't slide around.
3 Have a grown-up help tape or pin your banner up in your room, on a big window, or in the dining room.
If the weather is good you can even hang it outside!

Fold on the dotted lines.

Print on **thicker paper** for best results.
