

# Nouns & Adjectives

Underline the nouns and adjectives in each sentence. For even more of a challenge, underline the verbs and adverbs too!

1. A Wampanoag tribe was key to the pilgrims surviving their first winter in the New World.
2. The Mayflower set sail from England on September 16, 1620 and was on the trip for a rough sixty-six days.
3. The brave Christopher Jones was the operator of the Mayflower when it embarked on its voyage.
4. Squanto was a proud member of the Wampanoag tribe, who helped the pilgrims on their arrival to the New World.
5. The humble Wampanoag tribe, which means “easterns” can still be found in New England today.
6. The young and old pilgrim women wore bonnets to keep their hair clean.
7. Thanksgiving was held because the pilgrims wanted to show their thanks to the natives who helped them survive the hard winter.
8. It is said that deer was the first meal at Thanksgiving, not the traditional turkey.
