## That One Time...

Think about what kind of big adventures you've had in your life. Think about births of siblings, moves, starting new schools, etc. Draw and write about four moments below. Circle one moment you'd like to write a personal narrative about.

**Directions:** Draw pictures of four times in your life that you could write about. Write words to label each story.

The image shows an open book with a light brown cover and a central spine. The pages are white and feature four large, empty rectangular boxes arranged in a 2x2 grid. Each box is intended for a drawing. Below each drawing box is a horizontal line for writing a label. The book is shown from a top-down perspective, with the pages slightly curved as if being held open.
