The Sky is the Limit!

Draw a picture or write about the goals or ideas you have achieved:

Brainstorm new ideas, inventions, or goals that may help others:

Below, sketch a drawing of your invention or idea. Then, use clay, blocks, pipe cleaners, or paper to design a prototype for your idea or invention. *A prototype is a small example of a larger invention.*

Think outside of the box and try your ideas. The sky's the limit—meaning there is no limit to your imagination and potential! Take your time and have fun with this!
