To Fit or Not to Fit?

Look at each pair of words. The first word is a present tense verb. Evaluate if the second word is the past tense form of that verb. Do they fit together? If the past tense verb does not fit, write the correct form of the word below. If it is correct, write "Correct." Use each correct past tense verb in a sentence.

Example:

choose	choosed
--------	---------

Past Tense Verb: **chose**

Sentence: **When I went to the restaurant I chose a hamburger and fries.**
