

Name: _____

TODAY I READ...

We usually have an **opinion** about the books we read.

Think about a book you read recently, and write your opinion about it.

Make sure to write the title, and think of reasons why you think or feel the way you do about the book.

Today I read a book called

The book was about

I think the book was _____ because

I also think the book was _____ because

I think you should

this book!
