

Tongue Twisters

Enunciation is an important part of any speaking performance. Enunciating means pronouncing all your words clearly, so even the audience members in the back row can understand what you're saying. Repeat each of these classic tongue twisters to improve your enunciation, and to warm up before you go on stage!

The big, blue bug bled black blood.

*Unique New York. New
York's unique!*

A proper copper coffee pot.

Rubber baby buggy bumpers!
