

TREASURE HUNT GAME

FOR TWO PLAYERS

How to Play :

1. Print this page for each player.
2. Hide your treasure by coloring 3 groups of 4 squares anywhere on your grid. Don't let the other player see your paper.
3. Take turns hunting for treasure by calling out a grid point (example: 4D) on your opponent's paper.
4. Your opponent must tell you if your call is a 'find' or a 'miss'.
5. Mark all of your own calls on the HIDDEN TREASURE grid as a 'find' (use an X) or a miss (use a O).
6. Mark your opponent's calls on the MY TREASURE grid with an X only when they locate one of your colored squares. (When your opponent's call is a 'miss', you can leave that square blank).
7. When your opponent finds all 4 squares of a treasure, you must say "You took my treasure!"
8. The first player to take all 3 of his/her opponent's treasures is the winner.
