

TRICK OR TREAT!

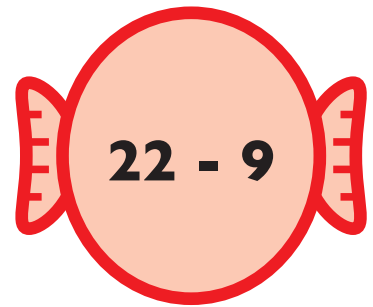

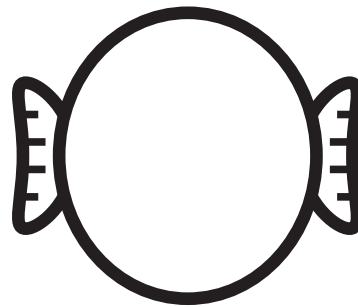

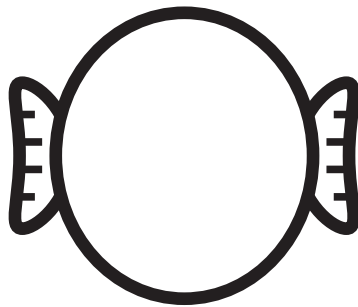

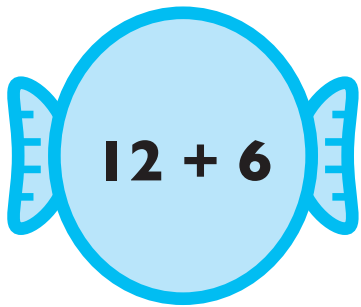

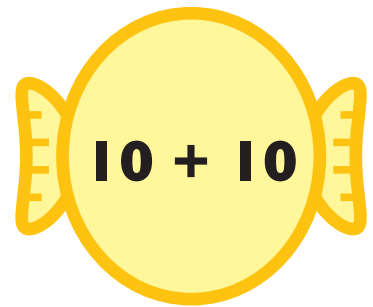

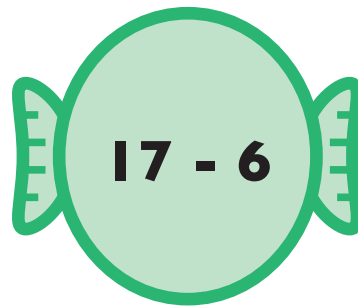

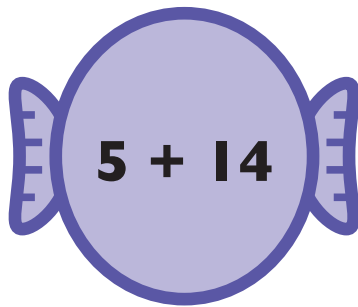

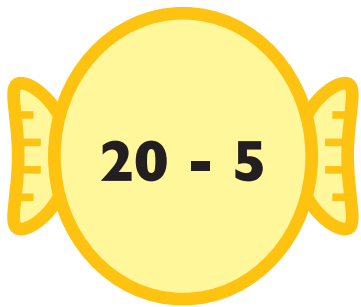

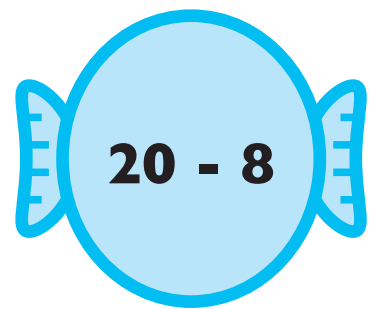

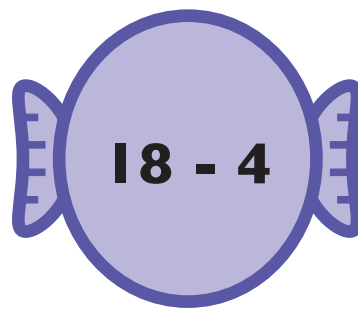

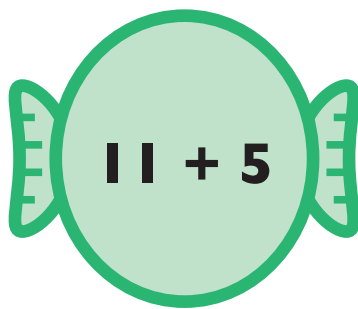

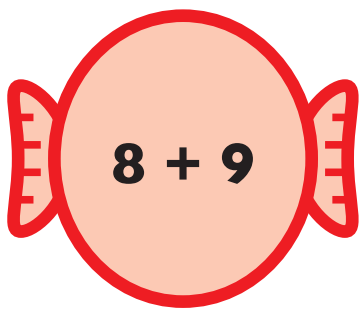

To make your trick or treat pumpkins, begin by cutting around the edges. Then fold at the dotted line and use staples to connect both sides.

TRICK OR TREAT!

Candy #1

Solve the problems. Then cut out each of the candies below. There are two blank candies to color and write your own problems with answers between eleven and twenty.

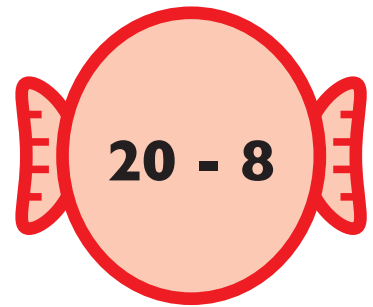

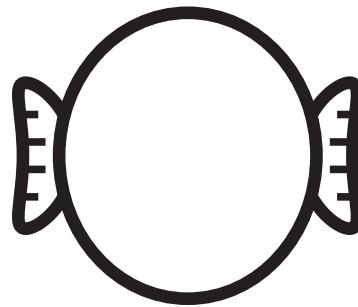

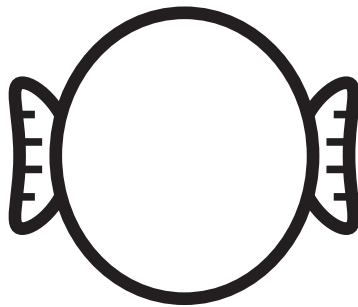

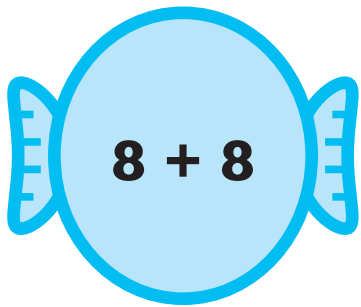

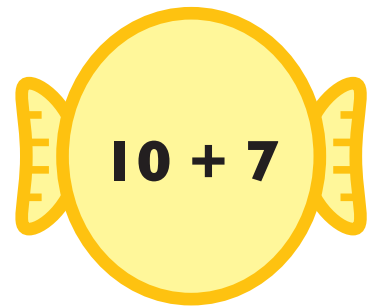

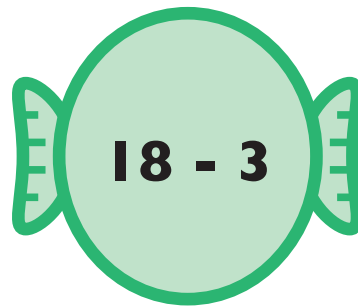

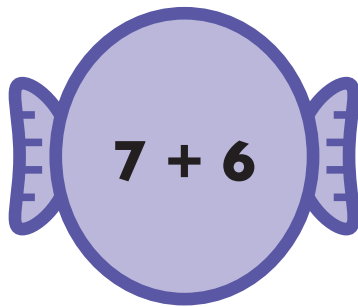

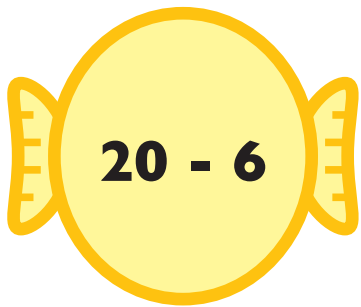

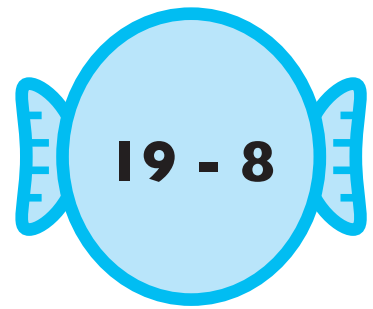

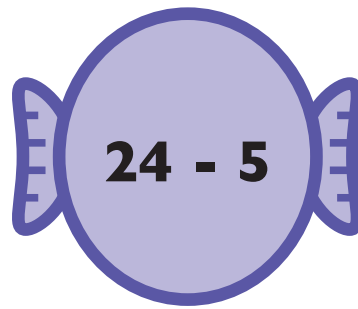

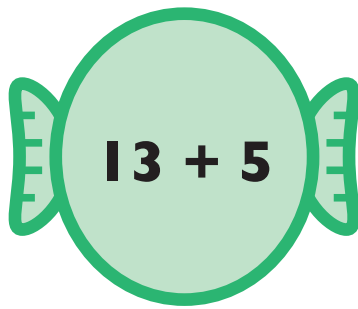

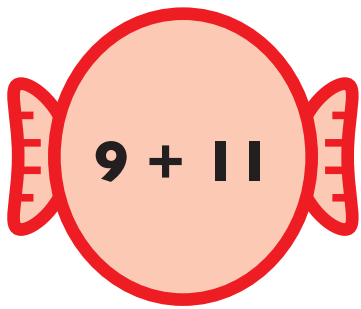

When you're done, mix up all the candies and put them in the pumpkin with the correct answer.

TRICK OR TREAT!
