

Place Value Addition

Name: _____ Date: _____

Adding large numbers is all about understanding place value. If you can break numbers down to their place value, then adding big numbers will be easy. Like this:

hundreds	tens	ones
	1	
5	1	4
+ 3	2	8
8	4	2

Now you try it!

1.

hundreds	tens	ones
7	1	3
+ 2	3	8

2.

hundreds	tens	ones
6	3	3
+ 2	1	5

3.
