

# Underline Key Details

Active readers **underline key details!**

This reading strategy helps readers understand the main idea, focus on important facts, and appreciate interesting facts.

Directions: Select a nonfiction text. Underline important details as you read. Then, select and record two details that helped you understand the main idea. Repeat this for the other two categories.

|                                     |  |
|-------------------------------------|--|
| <b>Understand<br/>the Main Idea</b> |  |
|                                     |  |
| <b>Important<br/>Information</b>    |  |
|                                     |  |
| <b>Interesting<br/>Facts</b>        |  |
|                                     |  |

## Write About It!

On the back of this page, summarize what this text is mostly about. Refer to the key details that you listed above.
