

# Use Abstract Nouns in Writing

An **abstract noun** is an idea, quality, concept, or feeling that you can't see, taste, hear, smell, or touch.

Here are some examples of **abstract nouns**:

adventure  
courage  
danger

fear  
friendship  
happiness

honesty  
love  
power

respect  
strength  
trust

**Directions:** Choose 5 or more abstract nouns from the examples above. Use them to write a paragraph or story. Be sure to circle the abstract nouns you chose.
