

Use the Correct Adjective Order

When more than one adjective is used to tell about a noun, the adjectives follow a special order.

Example: The **tiny white glass** teacups are on the table.

Number or Quantity	Opinion	Size	Shape	Age	Color	Origin	Material	Purpose	Noun
some	unusual	small	flat	old	brown	French	leather	hiking	boots
three	shiny	little	round	modern	faded	Italian	glass	tea	cups

Part One: Write the adjectives in the correct order. An example has been done for you.

- green, three, best three best green
- old, round, wooden _____
