

# Valentine's day

## Missing Even Numbers

Fill in the missing even numbers inside the chocolates to help cupid find his way to the biggest chocolate.

A collection of Valentine's chocolates and hearts. The chocolates are arranged in a path from the top-left towards the bottom-right. Some chocolates have numbers on them, while others are blank. The numbers are: 22, 26, 30, 36, 44, 48, and 54. There are also several heart-shaped decorations, some with the text "For You".
