

# Double the Consonant First

For some verbs, you need to double the last letter before adding **ing**. These words have a special pattern. The last three letters have the pattern consonant-vowel-consonant.

**Directions:** Change each word to the present tense by doubling the last consonant and adding **ing**. Then, draw a picture to illustrate the present tense verb.

**Example:**      **run**                                  **running**

**tap** \_\_\_\_\_

**swim** \_\_\_\_\_

**pop** \_\_\_\_\_

**sip** \_\_\_\_\_
