

# Write a Letter to Visitors

Choose a state that you want to learn more about. Then, research to find the answers to your questions. Here are some example questions to get you started.

- What is this state most famous for?
- What do people like most about this state?
- What are some of its natural features?
- Who were the first recorded people to live in the state?

After completing your research, pretend you work at the visitor's center for that state. Write a letter to all the visitors that teaches them about the state.

Design a stamp for your letter!

A large rectangular area with a rounded border, containing horizontal dashed lines for writing a letter. In the top right corner of this area, there is a rectangular box with a scalloped border, intended for a postage stamp.
