

# VOCABULARY CARDS

EL SUPPORT LESSON PLAN: MATCH AUTHOR'S POINT WITH EVIDENCE

**evidence**

Studies show  
that random  
acts of kindness  
are healthy.

something that gives proof  
of or a reason to believe  
something, usually with  
data or quotes

**researcher**

someone who does careful  
study of something to get  
information about it  
or solve a problem

**reason**

a cause or explanation for  
an action, opinion, or event

**studies**

an experiment or research  
about a specific topic  
that collects information
