

VOCABULARY CARDS

EL SUPPORT LESSON PLAN: THE RHYME AND REASON FOR ROUNDING

approximate

an answer that is not exactly accurate or right but is close to the real answer

actual

the correct answer to a calculation

estimate

a rough answer to a calculation that may be a little less or a little more than the actual answer

nearest

a guide of how accurate the rounding needs to be (i.e., round to the nearest 100)

VOCABULARY CARDS

EL SUPPORT LESSON PLAN: THE RHYME AND REASON FOR ROUNDING

rounding

making a number simpler
but keeping its
value close to what it was
