

# What is Community Service?

Community service is volunteering to help those in your community. It might be something that is done once, or on a regular basis. Community service is often referred to as “giving back to the community.” It can be done by an individual or an organization. Community service is giving your time without being paid. It might be helping people who are less fortunate, or helping to improve your community.

## Volunteer Word Scramble

1. A word to describe someone who is willing to lend a hand (**P H F L U L E**)

\_\_\_\_\_

2. The result of something good (**E F B I E N T**)

\_\_\_\_\_

3. A word to describe someone who is caring and generous (**I G I G N V**)

\_\_\_\_\_

4. Good and uplifting (**V O P S T I E I**)

\_\_\_\_\_

## Think About It

1. Why do you think community service is important?

\_\_\_\_\_  
\_\_\_\_\_

2. What other types of community service are there?

\_\_\_\_\_
