

# What Type of Text?

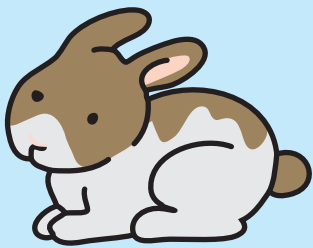

There are many different types of text.  
Here are two main types.

Elephants are the largest living land animals on Earth. They are herbivores and only eat plants like grass, leaves, and roots.

informative

Informative text tells information and facts. It can be found in many places, such as newspapers, encyclopedias and textbooks.

Martha the bunny was worried. Her favorite carrot patch was in danger of being blown away by the tornado.

narrative

Narrative text tells a story about characters. It might be a true story, or might be made up, like a fairy tale.
