# Who Will Score the Most?

## Comparative and Superlative Adjective Game

**Comparative adjectives** are used when comparing two things.

**Superlative adjectives** are used when comparing three or more things.

Score as many points as you can! Read the coach's advice and then write the comparative and superlative forms of the adjectives. There are three rounds and a bonus round. Some point values increase and change as the words get trickier. Do the best you can and you'll get the least wrong.

### Round One: One Syllable Adjectives

Adjective	Comparative	Superlative
big	1 point	1 point
tall	1 point	1 point
sad	1 point	1 point
hot	1 point	1 point
red	1 point	1 point
wide	1 point	1 point

Coach says: +er or +est, if it ends in 'y' change the 'y' to 'i' first. If it ends in a vowel then a consonant, double the consonant.

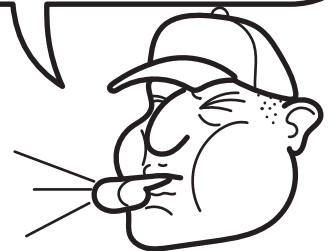

Total: \_\_\_\_\_

### Round Two: Two Syllable Adjectives

Adjective	Comparative	Superlative
peaceful	2 points	2 points
busy	3 points	3 points
thoughtful	2 points	2 points
furry	3 points	3 points
tangled	2 points	2 points
brilliant	2 points	2 points

Coach says: With most two syllable words simply add 'more' or 'most' before the word. Common exception: If it ends in 'y', use the same rule as one syllable words.
