

# Wind at Work

Wind is moving air. We can't see wind, but we can see it move things. Sometimes we can hear it and even feel it!

What can wind do? Fill in the blanks from your own experience!

Wind can blow a \_\_\_\_\_.

Wind can fly a \_\_\_\_\_.

Wind can shake a \_\_\_\_\_.

Wind can make a \_\_\_\_\_ go faster.

I can hear the wind when \_\_\_\_\_.

I can feel the wind when \_\_\_\_\_.

**Draw a picture of a windy day. Show the wind at work!**
