

# “op” Word Family Puzzle

Parents, help cut out all the puzzle pieces. Have your child say the sound each letter makes aloud. Say the sound the letters “op” make together. Then join the puzzle pieces and blend the sounds of the letters to form a word. Say the word aloud.

Parents: Once your child learns to make the words on this worksheet, you can save the pieces and glue them down on paper for more word building and writing practice. What other words can your child think of that start with M, H, P, or T? Have her practice writing her letters and words.
