

My Penpal from China

Ni Hao! (This means Hello! in Mandarin.)

My name is Ling. I am from Peking, China.
China has the largest population in the world.

I am the only child in my family. My father is
a computer engineer. My mother always stays
at home to take care of us.
I help her do household chores such as washing
dishes, folding clothes, and emptying the trash
can. What do your parents do? Do you also
help your parents with the chores?

When I finish my homework and chores, I play
piano and sometimes I practice with friends.
Classical music is my favorite kind of music.
I want to be a musician when I grow up .
What type of music do you like?
What do you want to do when you grow up?

Yours truly,

Ling
