

My Penpal from India

Namaste! (This means Hello! in Hindi.)

My name is Rahul. I am from India.
I am glad to have you as my penpal.

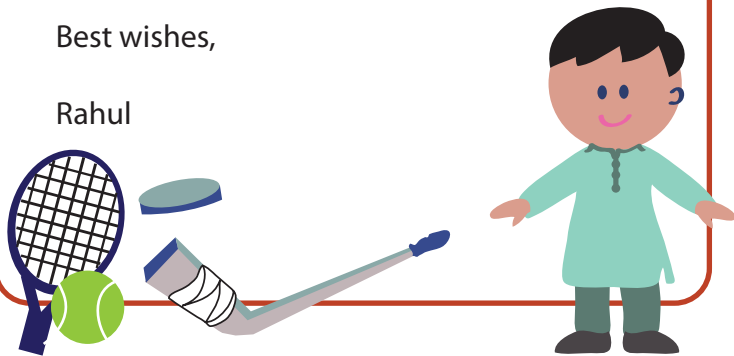

India has the second largest population in the world. Our national sport is field hockey. I like to play field hockey with friends in my spare time. What do you like to do when you are not in school?

I have a big family. There are 10 people in my house, including my grandparents, my parents, my siblings and myself. I have 3 brothers and 2 sisters. I am the third one. How about you?

We have the world's largest film industry. It is called "Bollywood", it sounds like Hollywood, doesn't it? Have you seen a Bollywood movie? They're very fun. What is your favorite movie?

Best wishes,

Rahul
