No. 17 - "zā"

ظ

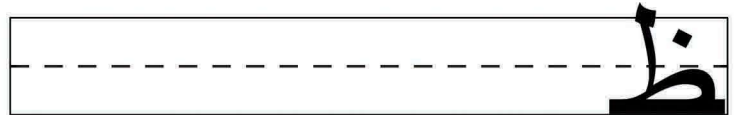

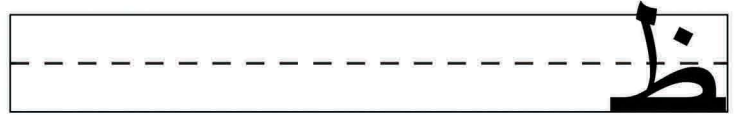

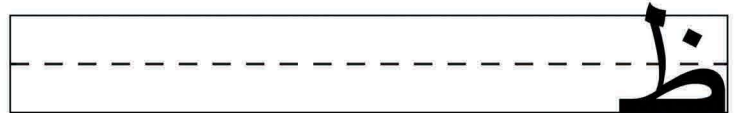

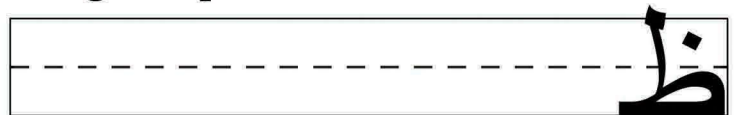

"Zā" makes a "th" sound like the "th" in "though," but the vowels before and after this letter are spoken in the back of the throat.

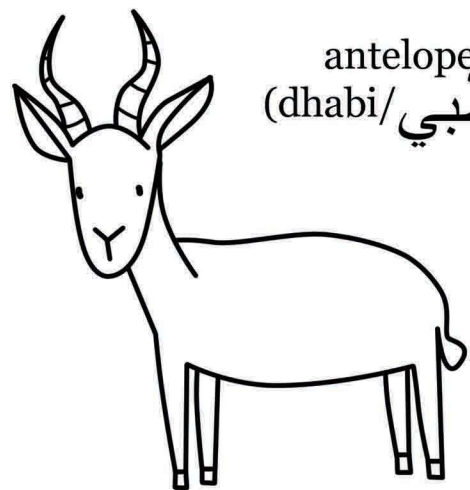

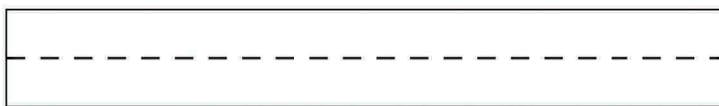

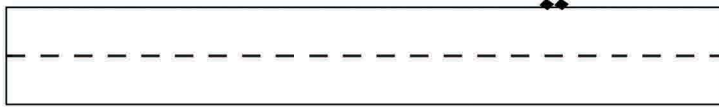

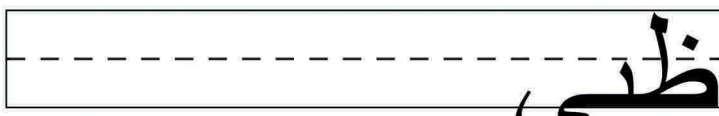

Write each form of the letter eight times using the space below.

envelope
(zharaf/ظرف)

Write the Arabic word for antelope, "dhabi," eight times in the space below.

antelope
(dhabi/ذبي)
