

# Writing Review Part 1

## Informative Writing: Animal Frenzy!

Use books or the Internet to research your favorite animal.  
Then, write an informative essay about the animal.  
Support your writing with relevant facts and details.

Make sure your essay has:

- ★ A clear topic sentence, introduction, and conclusion.
- ★ Information about your animal's scientific name, habitat, diet, locomotion (how it moves), behavior, appearance, and any other special characteristics.
