# X MARKS THE INFERENCE

Avast! There's gold at the end of this inference archipelago!  
Pick a book and join this band of pirates as they guide you  
to find hidden treasure through the secrets of inference.

**Remember!** An inference is a conclusion you draw based on your own reasoning and evidence found in a text.

**1.** Describe a **CLUE** you found in the text that led you to make an inference.

-----  
-----  
-----  
-----

**2.** What **BACKGROUND KNOWLEDGE** do you have that supports your inference?

-----  
-----  
-----  
-----

**3.** Record a **QUOTE** from the text that is evidence for your inference.

-----  
-----  
-----  
-----

**4.** Write the **INFERENCE** you made based on the evidence above.

-----
